WARNHAM PARISH COUNCIL

Councillors are summoned to attend the Ordinary Council Meeting of Warnham Parish Council to be held remotely via Zoom videoconference on Tuesday 22nd September 2020 at 7.30pm

A period of 15 minutes will be allowed for members of the public to raise issues of concern or to ask questions. Individual speakers will be limited to 2 minutes each

Agenda

1. Matters raised by Members of the Public
2. Apologies for Absence
3. Declarations of Interests
4. Reports from WSCC and HDC Representatives
5. To approve the minutes of 28th July 2020
6. To note Progress Report (attached)
7. Cricket Field Ball Stop Netting
8. Traffic Matters update – Cycle path and Robin Hood Roundabout works
9. Village Green Footpath Proposal (attached)
10. Additional tree works following Summer Ash Tree Survey
11. NJC Salary Scales – recommended increase for 2020-21 (attached)
12. Letter from West Sussex Association of Local Councils (attached)
13. Bench on the Village Green opposite the Old School House – refurb request
14. The White Paper: Planning for the Future and other Planning Consultations (attached)
15. Tree planting report quotations (attached)
16. Planning Committee (attached)
17. To approve Payments and Financial Reports (attached)
18. Correspondence - Age UK donation request for £100
19. Reports and Matters raised by Members

Dated 16 Sept 2020 – Mrs A Brooks, Parish Clerk

Item 6 – Progress Report

PROGRESS REPORT
September 2020

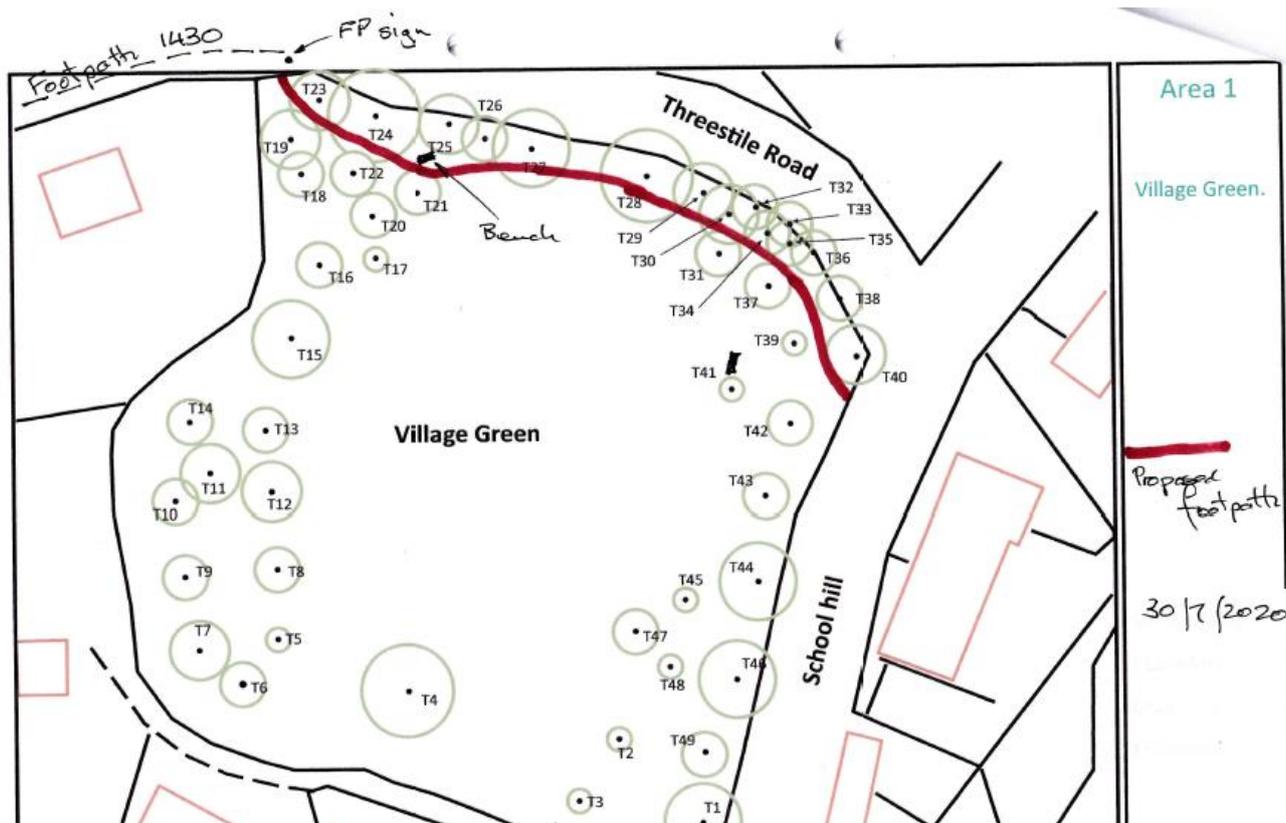

ONGOING MATTERS	
Task	Action/Update
Book in streetlights repair work and LED upgrade	Streetlights emailed on 13/7 to request work. Work is underway.
Clerk to put together a detailed plan/map of the WaW proposals to use for consultation. Obtain quotations from landscape consultants/tree specialists for a tree planning plan for the VG.	In progress. Aim to have a consultation document ready for beg of October, feedback and decision to be made about proposals at the October PC meeting. Any changes to the grass cutting regime can be fed into the new 2021-22 contract. Quotation obtained from JPC Trees for £575 and LandVision for £875 for both village green and cricket field planting plan. Stuart Worsfold has confirmed that he would offer his services for no charge. Ann Lloyd to purchase bulbs for bulb planting working group.
10K Covid -19 Support Grant – Promote to organisations that might need financial support during this time	The Cricket Club and Village Hall have already received the 10K grant. All councillors to think about other organisations that might need the support.
Quickbooks	Quickbooks is now set up and being used to generate the financial reports. Clerk to purchase the payroll module and use for the September pay. QB's will be used to submit the next VAT reclaim to HMRC.
Football Field netting	Resident has brought the state of the football field nets to the attention of the Clerk. 114m² is required. Costs obtained from online suggest that new netting would cost between £170 to £700 depending on the quality. Clerk discussing with Mr Maughan if he would be able to fit the netting.
Broken gate at the top of the green/football field.	Clerk checked football field lease and the land is owned by Warnham Park Estate. Clerk emailed Mr Lucas to inform him along with a map showing the location of the gate. No further action required.
Giant Hogweed on Station Rd and near North River	Clerk emailed Mr Lucas to arrange a meeting. No response. Clerk to chase up.
Netting for playground/cricket field	Labosport have produced a report with new calculations. Meeting held on 6/8/20 with the cricket club, Mr Read and the Clerk. Pre-application advice request submitted to HDC Planning on 3/9/20 for £80.
Community Speedwatch	Quotation from Sussex Leaflet distribution for the delivery of leaflets door to door in village and some remoter dwellings in the parish of £90 per day (likely to be 1 day of work). Atlas Direct Mail have quoted £89 for the printing of the leaflets. Some posters have been put up in NB's – bigger posters to be produced for Farebrothers NB.
Tree survey and Oak survey	Oak survey undertaken by Harraway Trees on 8/11/19. Report received and circulated. Pruning work recommended. Clerk to obtain quotations for oak tree pruning work in Autumn. Stuart Worsfold currently carrying out tree works. Planning permission now granted for works to trees on Cricket Field. SAW to

	<p>carry out the work ASAP. SAW are stil waiting for go ahead from UK Power Networks to undertake tree works on the green.</p> <p>JPC trees re-survey of Gregsons Wood and VG ash trees has flagged up further work required. Clerk to obtain quotation from SAW Tree Surgeons for this extra work.</p>
Hollands Way playground	<p>Works complete and playground is open. Planning approval has been received.</p> <p>Zipwire welding work is complete, Mr Maughan is repainting and will fit new parts once they have been obtained.</p> <p>Quotation received from Huck to do required repairs and maintenance to single axis rotating swing at £1,565.00 ex VAT.</p> <p>Clerk to obtain a cost for repairs only.</p> <p>Clerk to organise a opening event photo opportunity.</p> <p>Fence repairs booked in with Juniper Fencing, awaiting specific dates, a skip will need to be hired for removed wire fencing.</p>
Northlands Road flooding	<p>Mrs Pavey to take note of when surface flooding takes place and provide photographic evidence to the Clerk. Once evidence gathered will report to WSCC. On-going.</p>
Fingerpost survey	<p>Some letters are missing or broken, Clerk to order replacements.</p> <p>Heritage Finger Posts emailed to place order for 2 new fingerposts at RHL/BBH Rd and Mayes Lane. Email received on 20/5 stating that works are in progress. Clerk to chase again.</p>
Clerk to complete form to reclaim maternity pay ASAP	<p>Clerk spoke with HMRC on 7/3/19. Clerk to write to HMRC setting out amount to be reclaimed. Ltr and SP32 form sent 25/2/20. Ltr received from HMRC confirming the reclaim is in progress (June 2020). Ltr received from HMRC with cheque refund of £47.33.</p> <p>Remaining Statutory Payment refund went directly onto the WPC HMRC account which now has a large credit. Clerk to check the amounts match with the amount claimed.</p>
Operation Watershed	<p>Clerk to look into new rounds of funding for further works.</p>

Item 9 -Village Green Footpath Proposal

A suggestion from Mr R Purcell to install an all-weather surfaced footpath on the northern edge of the village green has been put to the parish council:

Threestile Road has no footpaths and it is dangerous to walk along. Many people walk to the Old School and then cross the road to walk over the green to the top point where the footpath to the football field starts. That's OK when the grass is dry but it has been suggested that an all-weather surfaced footpath would be worthwhile, suitable for those pushing prams. The PC introduced a footpath to Gregsons Wood some years ago. I would suggest something similar with a consolidated granular surface to preserve the nature of the green.

Decision required:

- Would the parish council like to progress this and obtain quotations for the work?
- Would the parish council like to include this idea in the Wild About Warnham Village Green consultation?

Item 11 - NJC Salary Scales – recommended increase for 2020-21

t: 020 7637 1865
e: nalc@nalc.gov.uk

w: www.nalc.gov.uk
a: 109 Great Russell Street,
London WC1B 3LD

26 AUGUST 2020

E01-20 | 2020-21 NATIONAL SALARY AWARD

The National Joint Council for Local Government Services (NJC) has agreed the new pay scales for 2020-21 to be implemented from 1 April 2020.

The annex below lists the new pay scales for clerks and other employees employed under the terms of the model contract including SCPs 50 and above. These calculations have been checked by the ALCC and are based on the changes agreed by the NJC. These should be applied from 1 April 2020.

Due to the introduction of the national living wage, the NJC agreement included the introduction of a new pay spine on 1 April 2019. Reference to the former pay scales has been removed. However, if you wish to see how the old spinal column points and scale ranges translated to the new scales, these are set out in E02-18.

The Clerk is currently on LC2 spinal point 25 which is currently £14.96 per hour, with the proposed increase at £15.37/hr. This works out at an extra £426.40 annually, based on the contracted hours of 20 per week.

24	£27,905	£14.50	£28,672	£14.90	LC2 (24-28) (substantive benchmark range)
25	£28,785	£14.96	£29,577	£15.37	
26	£29,636	£15.40	£30,451	£15.83	
27	£30,507	£15.86	£31,346	£16.29	
28	£31,371	£16.31	£32,234	£16.75	

Decision required:

- Does the Parish Council wish to implement the new pay scales from April 2020 as recommended by the National Joint Council?
- The increase is £426.40 per year and the backdated increase from April 2020 to September 2020 is £168.78 (based on the Clerk working 15 hours per week from April to August and 20 hours per week in September).

Item 12 – Letter from West Sussex Association of Local Councils – For information only

West Sussex Association of Local Councils
[West Sussex ALC Limited]

The West Sussex Association of Local Councils (WSALC) was established (as a Private Company Limited by Guarantee, on 23rd April 2013) to protect and promote the interests, rights, functions and privileges of Member Councils, to assist Members in the performance of their functions, to promote and develop the social, economic, environmental, cultural and recreational life of Parishes, and to promote a widespread and well-informed interest in local government, good local government, and governance (Articles of Association, 13th March 2013). WSALC also liaises with a range of organisations including WSCC, Sussex Police, Health & Social care providers and Voluntary Sector organisations on numerous issues. It also lobbies and puts forward the collective views of its Town and Parish Council Members – and the annual WSALC/WSCC joint conference provides a forum for the exchange of views. There are currently 138 Members,

WSALC is a Member of the Surrey and Sussex Association of Local Councils (SSALC Limited), the other Members being East Sussex (East Sussex ALC Limited) and Surrey (Surrey ALC Limited). WSALC (West Sussex ALC Limited) acquires services from SSALC (SSALC Limited) on behalf of WSALC’s Member Councils – the original objective being the benefits of scale. Those services are currently costing WSALC Members some £91,000 per annum (2020 – 2021). As part of its function, WSALC is concerned to see that value for money is obtained from the contributions that Member Councils pay to it and with which it, in turn, buys member services from SSALC.

The board of WSALC is currently undertaking a “Value-for-Money” Review of how Member Councils’ subscriptions to WSALC are spent on the member services and other options, if any, which are available to deliver better value than that currently provided to Members by SSALC. The Review is being led by Professor Colin Copus, a respected and well-known expert in local government and author of the national review “The Voice of the Councillor”. This exercise reflects the expectation that is incumbent upon all Councils – to check on expenditure and service-delivery to ensure that the public money for which they are responsible and accountable is being well spent and to enhance local Council (or government) and Parish democratic services.

The findings of Colin Copus’s Review will be published in a Report, which is expected by the end of the year – together with a Directors’ Report that will consider all options available and make Recommendations that the Board considers would be in the best interests of all member councils.

Every Parish and Town Council that is a Member of WSALC will have an opportunity to make known its views on the content of the Report and any Recommendations made, at a series of District Association Q & A “Zoom” sessions in late 2020.

The decision as to how Member Councils wish to proceed for the year commencing April 2021 will be determined at an Extraordinary General Meeting of WSALC early in 2021.

Board of Directors

West Sussex ALC Limited

Enquiries *about this project* should be addressed to Joanna Cadman at admin@westsussexalc.org.uk

Item 14: The White Paper: Planning for the Future and other Planning Consultations

The Government has released 3 consultations:

- [White Paper: Planning for the Future](#) - Deadline for comments is 29th October
- [Changes to the current planning system](#) – Deadline is 1st October
- [Transparency and Competition A call for evidence on data on land control](#) – Deadline is 30th October

The Parish Council may wish to comment on these consultations, but particularly the Planning for the Future White Paper and the Changes to the current planning system consultation, as these will have implications for the Parish.

I have provided a summary of some of the documents below.

White Paper: Planning for the Future

- Local Plans (i.e. the Horsham District Planning Framework) are to focus on where land can be developed and to determine the appropriate levels of development, as well as identify sites that should be protected from development. Housing numbers required, will be set by central government and will be based on the ‘Standard Method’ which looks at past household growth projections and the affordability of housing in an area (this assumes that lack of supply leads to

increased house prices). The Standard Method is to be updated and further information can be found in the Changes to the current planning system consultation.

- There will be a national 'Single statutory sustainable development test' – further information about what this is to be will be released in Autumn.
- Local Authorities are to identify: Growth Areas, Renewal Areas and Protected Areas within their Local Plans. Growth Areas will be land that is suitable for substantial development, Renewal Areas will be land suitable for development (this includes the infill of residential areas and small sites within or on the edge of villages) and Protection Areas will have more stringent development controls.
- Neighbourhood Development Plans would not set out the numbers of dwellings required and be instead more of a design guide and code for the form and appearance of developments in the Parish.
- The Government want to steer Local Authorities away from setting policies that are replicated at national level in the National Planning Policy Framework (NPPF). They want general development management policies to be national, with local plan policies being restricted to heights, massing density etc. This is a major change to how the system operates now. The NPPF is due to be updated, however it is unclear how a national document will be able to cover all local policies, for example with major differences in the policies required for rural and urban areas.
- The paper refers to creating 'beautiful and sustainable places'. There will be pre-established principles of what good design looks like (which are to be informed by community preferences).
- For land to be included in a local authorities Growth Area, it must have the ability to maximise walking and cycling. There is no mention if this requirement applies to Renewal Areas.
- There are proposals to speed up environmental assessments, by reducing the need for site specific surveys and making environmental data for each region more freely available.
- There is a proposal to stop the Section 106 planning obligations system and to create a new Consolidated Infrastructure Levy, which will be charged as a fixed proportion of a developments value.

Changes to the current planning system

- Changes are proposed to the Standard Method for calculating local housing number requirements.
- For small development sites, there is a proposal to temporarily increase the threshold for affordable houses to 40 or 50 dwellings.
- Proposal to extend the 'permission in principle' to major developments to speed up larger developments.

Decision required:

- Would the Parish Council like to submit a response to the consultations?
- Should a working group be formed to compile a response, perhaps with the NDP Steering Group?

Item 15 - Tree planting report quotations (attached)

Stuart Worsfold of SAW Tree Surgeons has offered to work with the parish council on a voluntary basis to provide recommendations on planting and compile a report.

Trees and Woodlands

Warnham Parish Council : Tree Planting Plan .

Reference: Q202021

Instruction of Service:

To carry out a survey and written report, into tree planting within Warnham Village.

Report will contain the following information:

- Identification of potential planting sites (within the given area(s) and an accompanying map(s), to show the proposed planting site locations.
- A list of suitable tree species for each planting site will be provided (from trees considered most likely to survive predicted climate change up-to year 2080 predictions (a number of native species are unlikely to survive future climate predictions).
- Species will be chosen for their positive attributes such leaf colour (summer/autumn), flowers, fruit, tree form, importance for wildlife and appropriate size etc, in order to maximise the benefits of wildlife habitat, amenity value and diversity, for climate and disease resilience. In addition, species will be selected in order to further diversify species and genera composition of each area, in order to ensure the greatest climate change resilience potential.
- Aftercare requirements will be explained (to ensure affective establishment and long-term tree survival).
- Estimated tree stock and planting costs will be identified (to assist in contract and budget management).
- N.B By zoning areas into separate planting sites will enable more effective implementation of planting, over a given period.
-

Price:

Village Green only: £350.00

Cricket Ground only: £350.00

Combined sites: £575.00

I hope that this quote meets with your approval.

Yours sincerely

Jon Cornford

PLANNING APPLICATIONS – REPORT FOR WPC MEETING 22nd SEPTEMBER 2020

Decision has been made by HDC or WSCC

REFERENCE	LOCATION	DESCRIPTION	COMMENTS SUBMITTED	DECISION
DC/19/1274	Westbrook Lodge, Bognor Road	Installation of dormers to both sides and hip to gable to both ends with the erection of a first floor extension.	No objection however CIL calculations need to be checked by HDC.	Application permitted
DC/20/0667	Warnham Lodge Farm, Mayes Lane	Demolition of existing residential accommodation and barn. Erection of 1 no. dwelling.	No objection	Application permitted
DC/20/0716	Broomlands Farm, Robin Hood Lane	Conversion of an agricultural building to create 2No. 3 bedroom dwellings and 2No. 4 bedroom dwellings with associated car parking and landscaping	The Parish Council has concerns that the proposed application would be overdevelopment of the site with the number and size of the dwellings proposed. The site is situated next to a 60mph rural road and on a junction, which is busy during rush hour. The Parish Council agrees with WSCC Highways in that access to the site has poor visibility and the proposed number of parking spaces is insufficient. If there is to be more residential dwellings along Broadbridge Heath Road, WSCC must consider a reduction in the speed limit to 40mph.	Application permitted

			The Parish Council would also like to see the installation of Swift bricks in each of the proposed properties, as a condition of any development. This is to aid the re-establishment of a swift colony in this area of the parish.	
DC/20/0951	Wattlehurst Farm, Dorking Road	Change of use of the land from caravan storage to the stationing of a log cabin for residential purposes for a key equestrian worker, for a temporary period of three years.	No objection	Application permitted
DC/20/0958	Wattlehurst Farm, Dorking Road	Change of use of land and buildings from leisure and caravan storage use to equestrian uses. Construction of an outdoor sand arena and surfacing of all-weather turn-out paddock	No objection	Application permitted
DC/20/0776	Durfold Manor Barn	Erection of a four bay storage barn	No objection	Application permitted
DC/20/1162	The Granary Station Road	Erection of a single storey side extension and replacement of fenestration on the west elevation	No objection	Application permitted
Dc/20/1166	Maxlands Farm Land North of Pear Tree Farm Northlands Road	Demolition of existing buildings and erection of 4x two-storey residential dwellings.	There is a lack of detail and many unanswered questions associated with the application and WPC strongly recommend REFUSAL of the application.	Registered
DC/20/1102	Farebrothers Church Street	Surgery to 1 x Beech, 1 x Lime, 1 x Macrocarpa, 1 x Robinia and 1 x Walnut	No objection	Permitted
DC/20/00137	Robins Green Knob Hill	Fell 1 x Conifer and 1 x Weeping Pear (Works to Trees in a Conservation Area)	No objection	Application permitted
DC/20/1031	Tickfold Farm Marches Road	Erection of an agricultural dwelling	No objection	Registered

Dc/201236	6 Kingsfold Court Dorking Road	Erection of a replacement detached double garage with storage over	No objection	Registered
Dc/20/1207	Warnham Cricket Club Church Street	Surgery to 15 trees of various species	WPC application	Registered
DC/20/1499	22A Friday Street	Surgery to 2 x Conifers (Works to Trees in a Conservation Area)	No objection	Registered
DC/20/1722	28 Warnham Court Mews Warnham Court	Installation of double doors to replace existing window.		Registered
